Dear Pete and Elizabeth,

I want to thank you for being a part of our first annual auction – it turned out to be an evening full of fun, friendship and generosity for all. Without all of our wonderful contributions we could not have done it, we really appreciate the Handy Man for a Day and Home Inspection that you donated – thank you!

The money which was raised was for the **Nicholas J. Theos Tuition Assistance Fund** which is the fund which makes it possible for us to provide financial assistance to those families who apply through our FAIR program. Many of these families would not be able to continue their family tradition of their children graduating from BE were it not for this financial assistance.

Once again our heartfelt thanks to you for your help in making this first event a success for us.

Sincerely,

A handwritten signature in cursive script that reads "Kate Wartner".
