Dear Pete:

First we want to thank you for your generous contribution to the Affordable Housing Coalition. We feel certain that this contribution will further the coalition's goal to help get families into affordable housing.

It should also help provide a voice for those who are somewhat powerless to influence government. Many families in South Carolina need a voice and your gift will help them speak out on important housing issues.

Because the Coalition is a 501(C)(3) charitable organization, your contribution is tax-free. Please keep this in mind when you prepare your tax return this year.

Thank you again for your leadership in this new venture. We feel sure that your generosity will help put South Carolina families in homes of their own.

Sincerely,

Bud Gandy  
President
