Citadel Enterprises Wins Guildmaster with Highest Distinction Award

MOUNT PLEASANT, S.C. (May 17, 2011) – Citadel Enterprises, Inc. is the recipient of a 2011 Guildmaster with Highest Distinction Award, the premiere level of Guildmaster awards. The honor comes from GuildQuality, a company client satisfaction surveying organization that provides nearly 600 building and real-estate professionals with customer service feedback. This is the fourth year in a row GuildQuality has acknowledged Citadel Enterprises. “It is an honor to receive this award,” said Pete Loy, company president. “I believe we are so successful in the areas of quality and service because of our dedicated staff. I am proud of all our employees for their commitment to our clients and to the company.”

Each year, GuildQuality bestows the Guildmaster Awards upon its most accomplished members. These awards are GuildQuality's recognition of exceptional performance in the community of quality-minded building and real estate professionals. Citadel Enterprises is one of only 154 home builders, remodelers, developers and contractors throughout North America recognized for its superlative performance. Award winners differ in their types of work and their price ranges, but all have a lengthy track record of outstanding customer feedback.

Citadel Enterprises provides remodeling, repair and design-build services with an emphasis on trust, service and neatness for the client who desires to work with an award winning and industry leading firm.
